

A THOUSAND FACES of ADVENTURE

Hi, thanks for playtesting A Thousand Faces of Adventure!

I am striving to make this game as awesome as my soft human body will allow, my hope bolstered by the evidence of human potential: we've split the atom and domesticated cats. Any great accomplishment depends on tests, and so A Thousand Faces of Adventure depends on you, the tester.

All materials you need to playtest at home can be found here: http://www.1kfa.com/playtest_files or just email me a mailing address and I'll work with you to get you a physical copy.

Thanks again,

Shandy
